

MUSICAL CIRCLES SPECIAL SCHOOL WORKSHOPS

45 minute Interactive Workshops. Appropriate for 8-10 Primary/Secondary students.

1.MAKE SOME (MORE) NOISE

Make Some Noise! At an instrumental improvisation workshop! This workshop will provide a fun and engaging musical session where everyone will be invited to express themselves using a variety of musical instruments. Try a new instrument, learn to play with others, listen and take turns.

This workshop is suited to Primary and Secondary students. It includes piano/keyboard, guitar, and a range of percussion instruments including small drums, xylophones, chimes, bells, etc.

2.SONGS OF THE WORLD

Songs of the World workshop will help primary and secondary students learn songs from other cultures, learn some new languages, and explore aspects of other cultures. Enjoy singing songs in English, Maori, French, Spanish, and Korean.

Those from other cultures - or those who speak different languages - will be encouraged to talk about their origins, and this will enable students to get to know more about each other and their backgrounds.
